FLAME

FACILITY FOR LARGE-SCALE ADAPTIVE MEDIA EXPERIMENTATION

DISCOVER FLAME'S OPEN CALLS!

For this Third Open Call, FLAME is looking for **SMEs**, **Start-ups** and **Industries 3rd party projects** to explore edge experiences considering consumer's desire for personalised, localised and interactive media content delivered through current and emerging human-computer interfaces used in outside spaces or between outside and inside spaces.

SMEs, Start-ups and Industry 3rd party projects will demonstrate the utilisation and value of FLAME service design patterns for orchestrating media services.

ELIGIBLE ORGANISATIONS WILL BE COMPETING FOR 1 OF 13 AVAILABLE PROJECTS

5x SME TRIALS
6 MONTHS - 70,000 €/EA

3x START-UP TRIALS
6 MONTHS - 50,000 €/EA

3x INDUSTRY TRIALS
6 MONTHS - 100,000 €/EA

STAY TUNED & GET INVOLVED!
